**PETITIONING THE COURT**

To issue a warrant.

On April 19, 2024, the offender's conditions of supervision were reviewed by a probation officer and he signed said conditions acknowledging an understanding of his requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number      Nature of Noncompliance

1      **Mandatory Condition #3:** You must refrain from any unlawful use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.

**Supporting Evidence:** The offender is alleged to have violated mandatory condition number 3, by ingesting a controlled substance, spice, on or about May 7, 2024.

On May 7, 2024, the probation officer was contacted by residential reentry center (RRC) staff advising that the offender appeared to be under the influence of an unknown substance and had been instructed to submit to urinalysis testing. The offender later admitted to staff that he introduced and used spice in the RRC facility. As of this writing, the urinalysis test remains pending.

- 2      **Mandatory Condition # 2:** You must not unlawfully possess a controlled substance. You must refrain from any unlawful use of a controlled substance, including marijuana, which remains illegal under federal law.

**Supporting Evidence:** The offender is alleged to have violated mandatory condition number 2, by possessing a controlled substance, spice, on or about May 7, 2024.

As noted in violation number 1, the offender admitted to being in possession of spice at the RRC facility on or about May 7, 2024.

- 3      **Special Condition # 8:** You must reside in a residential reentry center (RRC) for a period up to 180 days at the direction of the supervising officer. Your participation in the programs offered by the RRC is limited to employment, education, treatment, and religious services at the direction of the supervising officer. The defendant shall abide by the rules and requirements of the facility.

**Supporting Evidence:** The offender is alleged to have violated special condition number 8, by failing to follow the rules of the RRC facility. Further, his placement at the RRC was terminated on or about May 8, 2024.

On May 8, 2024, the probation officer received email correspondence from the RRC indicating the offender's placement at the facility was terminated based on his failure to comply with the RRC rules. As previously noted, the offender admitted to introducing and using spice in the RRC facility.

The U.S. Probation Office respectfully recommends the Court issue a warrant requiring the offender to appear to answer to the allegation(s) contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
